Teaching English to students from all over the world for 57 years.

This year at St George International (SGI), we celebrate 57 years of achieving successful outcomes for students from all over the world. We help develop young learners aged from 6 to 17 with a range of courses to suit their interests at our summer centres. We teach a range of English language courses for students aged 16+ at our school in central London. SGI teacher trainers prepare prospective teachers for a career in English teaching.

At SGI, we believe that effective communication transforms lives and that English is a life skill that will help you achieve your dreams. With this in mind, we strive every day to live up to the highest standards of teaching and learning.

Our students and trainee teachers have consistently met and exceeded their expectations through their learning experience with us. Our teaching team, a number of whom are experienced teacher trainers, ensure that you will reach your learning goals and become a confident user of the English language.

When you go through this brochure, you will see that we offer a wide and innovative range of English language courses for you covering all possibilities. Besides English language tuition, we also have an excellent accommodation service, ensuring a comfortable stay when you study with us, as well as other useful services, such as airport transfers and visa guidance.

It is always a pleasure to see such an international group of people improving their English and having a great time in this fascinating city.

OVER 57 YEARS OF TEACHING EXCELLENCE SINCE 1962
We have always set ourselves high standards and this is reflected in our various accreditations, validations and memberships.

Currently we are accredited by the British Council for our English language teaching and associated services, and by Trinity College London for our English language teacher training. We are also an authorised Cambridge ESOL exam preparation centre, a member of English UK, the professional association of UK English language schools and a member of Quality English, a select global group of centres of English language teaching excellence.

HERE ARE SOME OF OUR OUTSTANDING FEATURES

• Wide range of English language courses - Choose from General English, Business English, IELTS preparation and many more

• Programme of social and cultural activities every day - whether you’re interested in sports, museums, galleries or the theatre, we have a wonderful programme of activities designed to enhance your classroom learning. This is a great way to make new friends and practise your English
• Central London location - our school is located in a prestigious area in Central London within easy reach of all the city has to offer

YOUR COURSE INCLUDES

• Course book and study materials
• Placement test and interview
• Welcome pack
• Free high-speed wi-fi at the school
• Certificate of Progress
• Programme of social and cultural activities
• Individual guidance and support
The ability to communicate effectively in English is very important to us at St George International, and the language level chart below helps in a number of ways:

- It provides objective descriptions of what tasks can be performed at different levels of ability.
- It helps us place you in a class at the right level when you arrive on your first day.
- It helps you assess what you can do in the language at a particular level as opposed to what you know.
- It indicates what examinations are available at what level.
- It helps you define language objectives that you can aim for.

Please note that some of our study programmes demand minimum levels of competence in English – the key below indicates which courses may be taken at which levels. It is important that we determine your level of English before you enrol.

STANDARD COURSE

This general English course gives students the opportunity to improve their all-round ability in English by focusing on grammar and vocabulary development, speaking, listening, and writing skills. Our key aim is to increase students’ confidence in the day-to-day use of the language.

To ensure students receive stimulating and enjoyable lessons, we use a host of supplementary materials in addition to the course book. With the use of audio materials, the internet and authentic texts we aim to maximise language skill development and effective communication.

- English for government/public sector
- English for the automotive industry
- English for Banking
- English for Telecommunications
- English for the Oil and Gas industry
- English for Tourism
Running from 9.15 – 12.45, this Business English course introduces key business concepts and topics and develops practical skills within real business scenarios, including presentations, negotiations, telephoning, meetings and discussions. Based on an interactive approach, students participate in problem-solving tasks, case studies and business simulations. Students are also encouraged to take the test at the end of their course.

A combination of the Business English morning class with a General English mini-group aiming to develop effective oral communication in social English. The focus in the afternoon is on discussion of topics such as travel, film, culture, sport and politics and task-based learning with a strong emphasis on groupwork. This course is particularly appealing for students who would like to improve their ability to communicate clearly and effectively in both their working environment and socially.

The Business English Course followed by 5, 10 or 15 lessons per week of individual tuition. The individual tuition is tailored to the client’s needs and can focus on topics particular to the client’s profession.
These courses for professional people are designed to be effective, stimulating and, most importantly, practical.

KEY FEATURES
• Start every Monday for half-day and full-day programmes
• Start any day for flexi programmes
• Tuition tailored to students’ professional work
• Full range of specialist areas catered for: Banking, Law, Medicine, Marketing etc
• 2-1, weekend and evening courses also available

IELTS is a highly dependable, practical and valid English language assessment primarily used by those seeking international education, professional recognition, benchmarking to international standards and global mobility.

St George International’s IELTS Preparation course runs throughout the year for those with an Intermediate level or higher, and can be started on any Monday.
IELTS PREPARATION

The course is ideal for students who wish to enter a British University, as it is the key test used in the UK to assess applicants’ English language ability. It is also a very popular course with students who need a proven level of English for work and career purposes.

As well as English language development and preparation vital for the IELTS, the course also focuses on academic skills and learning strategies that will help students at a British University, for example, how to research projects in a seminar, and giving your opinion in a seminar.

IELTS INTENSIVE

A combination of the IELTS Exam morning class with the afternoon General English class (10 lessons per week) which aims to develop the student’s understanding of British culture and confidence when using social English. Activities range from discussions of issues and topics such as travel, film, culture and politics through to project work based around internet research. Study may be integrated with cultural visits outside the classroom. The emphasis is on group work and effective oral communication.

IELTS COMBINATION COURSE

Morning group tuition and afternoon 1-1 tuition. This course combines the IELTS Exam morning class with a tailor made one-to-one afternoon programme to meet the specific needs and requirements of the student.

You can study either 5 (Combo 5), 10 (Combo 10) or 15 (Combo 15) lessons of one-to-one each week in the afternoon.

THE PATH TO DEGREE COURSES AT BRITISH UNIVERSITIES

St George International offers a comprehensive and stimulating University Foundation Course for overseas students leading to study of primarily business-related degrees at British Universities.

This 6 or 9 month academic course, with a maximum of 14 students in a class, gives students a foundation not only in English language and culture but also in the world of Business from a European perspective.

The intensive course also offers preparation and provides invaluable experience reflecting the demands of British Universities. We also arrange visits to Universities as well as having regular UCAS advice sessions to help you with your University choice.

KEY OBJECTIVES FOR STUDENTS...

• To gain access to a British University
• To learn in a friendly small group environment with maximum personal attention
• To achieve an IELTS exam score sufficient for University access
• To increase students’ subject knowledge in Business, Economics and Politics
• To improve students’ academic study skills sufficient to succeed at University
• To familiarise students with British Universities and life in Britain

ADVICE SERVICE

SGI’s academic team is experienced at helping students find the course and University that is right for them. Throughout the course we provide regular individual counselling sessions, advising on the courses and Universities most suitable for the student, and assisting in the completion and processing of University applications.

SUCCESSFUL STUDENTS AT BRITISH UNIVERSITIES

With our strong university and higher education links we have a growing number of successful former students who have completed our University Foundation course and gone on to study an undergraduate or postgraduate degree programme in the UK.

THESE NOTABLY INCLUDE:

• Oxford University
• The London School of Economics and Political Science (LSE)
• Regent’s University London
• University of London
• University College London (UCL)
• Birkbeck College
• Greenwich University
• Roehampton University London
• Kingston University
• City University
• The London Metropolitan University
• Reading University
• The University of Westminster
• The University of Nottingham Trent
• Saint Martins College of Art & Design
• The University of Edinburgh
• Middlesex University

DEVELOPING THE SKILLS YOU NEED

The Foundation Course at St George International has a strong emphasis on developing the skills students need to successfully complete their British University studies. British Universities place a deal of emphasis on self-study and written assignment.

We are aware that these areas of University study may be unfamiliar to overseas students and so ensure that they are addressed during the Foundation Course.

These courses are for people living and working in London who want to improve their language skills and become more confident in using English.
SGI has a range of accommodation options for you to choose from, including modern student residences, homestays, guest houses or even a hotel if you prefer.

At SGI, we know that when you are away from home it is important that you feel comfortable wherever you live. That’s why we offer a range of student accommodation options to suit your preferences.

**STUDENT RESIDENCES IN LONDON**

Many students who prefer a more independent approach can choose to stay at a student residence in Central London. These residences provide the freedom and flexibility many of our students are looking for, right in the heart of London. There is a range of options to choose from. Some residences have en-suite facilities as well as fitness and entertainment facilities included in the price. There is certain to be something to suit you. Depending on the residence, you may choose either a single room or, if you are coming with a friend, a twin room. Some of the residences offer breakfast or evening meal, and others are self-catering.

**HOMESTAY ACCOMMODATION IN LONDON**

Live with an English-speaking host and experience life in a London homestay. Homestays are a cost-effective way to stay in London and provide opportunities for you to practise your English.

- Homestays are clean and comfortable and enable students to study quietly
- Homestay hosts are able to provide breakfast and/or evening meals
- The location of our homestay accommodation is within easy reach of bus and tube options to reach the school

During busy periods, we sometimes use homestays that are carefully selected by an external agency.

**HOTELS AND APARTMENTS IN LONDON**

SGI can also help arrange your own hotel or apartment accommodation all around Central London. We can recommend a wide range of reasonably priced 2-5 star hotels in the capital. Student accommodation has never been so comfortable.
St George International’s enrichment programme of social and cultural activities has been designed to ensure you learn as you visit a number of great places in London. You will also meet a lot of interesting people and improve your English by practising what you’ve learned in class in a relaxed and engaging environment.

There is no better city than London in which to do this. At SGI we want you to experience British culture and get to know as much of London as possible.

Our social organisers will help you make the most of your stay — however short or long it may be — in one of the most exciting cities in the world.

We believe that SGI’s social programme will help you have a memorable time in London, making new friends, meeting lots of interesting people and most importantly, improving your English!

**SAMPLE ACTIVITIES**

- Boat trip to Greenwich from Tower Bridge
- A visit to Hampton Court Palace including the world famous Kew Gardens
- A walk through Jack the Ripper’s neighbourhood in the East End of London
- Theatre trips to Shakespeare’s Globe and the West End
- Fun trips like ten-pin bowling followed by a restaurant meal near the school
- A tour of the local pubs of Fitzrovia, popular with writers and artists for over 100 years
- The Tate Modern and then over the ‘wobbly’ Millenium bridge to St Paul’s Cathedral
- Visit Buckingham Palace and near-by St James’s Park

There are also visits to lesser known attractions which only Londoners know!
