

## SGI – Private Tuition: English Crash Course

Private English Tuition is ideal for students who need to **maximise their progress during a short stay in London**. Designed to be effective, stimulating and practical, the content of these one-to-one **courses are personalised to the individual**, following a detailed pre-course needs analysis and language assessment.

### English Crash Course:

*The content of the course is tailored to whatever students want and need to focus on. This very commonly is **business and workplace topics** such as **presenting facts and figures, writing business reports, improving telephone skills**, as well as more **general English development** such as **a focus on pronunciation, speaking fluency and vocabulary expansion**. The motivation of the student, the intense nature of the course and the experienced teaching and academic management team, directing and delivering the course, guarantees a memorable and effective learning experience.*
