

SGI - IELTS Preparation Course

Our IELTS Exam Preparation course runs from 9.15 - 12.45 and starts every Monday. This popular Academic English course is ideal for students who wish to enter a British University for either undergraduate or postgraduate degree courses. It is also a very popular course with students who need a proven level of English for work and career purposes.

What can I expect from the course?

- * The course ensures you are fully prepared for the IELTS test with all aspects of the test covered in the classroom. Extra attention is given to the writing test which is commonly a weaker area for most students.
- * There are weekly test sessions so teachers can monitor your progress and provide individual advice on areas to work on.
- * The IELTS preparation course, with its small group size, allows you plenty of individual attention and advice on areas needing a special focus.
- * You receive interesting and engaging lessons from well-qualified experienced teachers ensuring you make good progress and get the IELTS result you want.

Agata from Poland: "I am a demanding student and now I can say I got more than I demanded! Besides excellent supportive teachers, the school offers a fantastic experience of learning a language in a friendly and sociable atmosphere. After my course in SGI I attained an excellent IELTS result and a place at Oxford University and recommended the school to my sister."
