

# Out and About London Course

## British Museum Day 1

The **British Museum** is one of the world's largest and most important museums of human history and culture. It has more than seven million objects from all continents. They illustrate and document the story of human culture from its beginning to the present.

## National Portrait Gallery Day 2

The **National Portrait Gallery (NPG)** is an art gallery in London housing a collection of portraits of historically important and famous British people. It was the first portrait gallery in the world when it opened in 1856.

The **Science Museum** is the most visited science and technology museum in Europe. There are over 15,000 objects on display, including world-famous objects such as the Apollo 10 command capsule and Stephenson's Rocket.

## Science Museum Day 3

## Childhood Museum Day 4

The V&A Museum of Childhood houses the UK's national collection of childhood objects, ranging in date from the 1600s to the present day. As well as toys, dolls and games, the museum has a wealth of objects relating to aspects of childhood including home, childcare, play, learning and clothing.

## National History Museum Day 6

The **Natural History Museum** has hundreds of exciting, interactive exhibits in one of London's most beautiful landmark buildings. Highlights include the popular Dinosaurs gallery, Mammals display with the unforgettable

## Museum of London Day 5

Step inside the **Museum of London** for an unforgettable journey through the capital's turbulent past. Discover prehistoric London, see how the city changed under Romans and Saxons, wonder at medieval London and examine the tumultuous years when London was ravaged by civil wars, plague and fire.
