

SGI - Standard English Course

Running from 9:15 am all morning through to 12:45, this popular General English course is to help students quickly achieve more confidence with English, communicate more effectively in the language and also have plenty of time to discover the benefits of London.

What will I do on the English course?

- The course gives you the opportunity to improve your all-round ability in English by focusing on speaking, grammar and vocabulary development, pronunciation, listening, reading and writing skills.
- Our experienced and well-trained teachers have a creative and energetic approach to the course which ensures you have stimulating and enjoyable lessons.
- With our small group sizes, the course enables teachers to give you substantial attention from your teacher and individual advice on areas to work on.
- The course uses real-world materials from the internet and other media to ensure you are always studying 'real English'
