# The ability to communicate effectively in English is very important to us at St George International, and the language level chart below helps in a number of ways:

- It provides objective descriptions of what tasks can be performed at different levels of ability
- It helps us place you in a class at the right level when you arrive on your first day
- It helps you assess what you can do in the language at a particular level
- It indicates what examinations are available at what level
- It helps you define language objectives that you can aim for

		C2		C1		B2		B1		A2		A1		BEGINNER	
		PROFICIENCY		ADVANCED		UPPER INTERMEDIATE		INTERMEDIATE		LOWER INTERMEDIATE		ELEMENTARY			
		YOU CAN USE THE LANGUAGE FLUENTLY, ACCURATELY AND APPROPRIATELY		YOU CAN DEAL WITH COMPLEX WORK TASKS You now have an excellent command of the language, consistently fluent, accurate and well organised. You cope well with demanding and complex situations		YOU CAN DEAL WITH SIMPLE KEY WORK TASKS You manage easily enough in quite complex and demanding situations. There are lapses in accuracy in complex situations but communication is easily restored.		YOU CAN DEAL WITH VARIED FAMILIAR EVERYDAY ACTIVITIES You can make effective and independent use of the language in familiar situations. There are still many mistakes and gaps, but you can communicate and understand general messages in most contexts. Lines of communication are in place and working efficiently.		YOU CAN DEAL WITH PREDICTABLE DAY-TO- DAY ACTIVITIES Basic communication is possible with plenty of assistance. You don't have enough language to cope with everyday problems alone, but you can manage the simple interactions of daily life, both commercial and social.		YOU CAN DEAL WITH VERY LIMITED DAY-TO- DAY ACTIVITIES You can understand and use basic phrases and interact in a simple way provided the other person talks slowly and is prepared to help.		ASSUMES NO PREVIOUS STUDY OF ENGLISH SGI will advise on the number of one-to-one lessons required before joining the elementary class.
